- ✓ Hotels and restaurants
- ✓ Theatres and museums

ROBUSTNESS YOU CAN TRUST

EAD presents **BRIO**, a toilet and shower partition series made from premier materials. Solid phenolic is manufactured in a single step: the fusion of a phenolic resin core between two decorative surfaces. The result ensures simplified, one-step assembly. Seamless, waterproof and of incomparable sturdiness, this types of material does not rust, does not require paint, and is resistant to vandalism, impact and graffiti.

A LOGICAL CHOICE

EAD has found a way to create a product that is as refined as it is durable. The **BRIO** series is perfect for high-traffic establishments and is a solid investment.

TIMELESS

EAD stands by its claims by offering a 25-year warranty for delamination, corrosion, and manufacturing defaults, and a 5-year warranty for warping for the entire **BRIO** series. *

PRODUCT SPECS

Available thickness:

- 19 mm (3/4") panels / pilastres / doors
- 13 mm (1/2") panels and 19mm (3/4") panels / doors

Ultra-robust stainless steel door hardware

(Competitive warranty) *

Continuous natual anodised aluminum wall support

Available in 5 types of elegant fixtures

Available in a wide selection of colors *

* For more information, please see eaddesign.ca

INNOVATIVE DESIGN

EAD's **SOLO** series combines ingenuity and appealing design aesthetics. The product quality is incomparable without sacrificing the overall look. Various configurations are available. EAD's **SOLO** series is innovative design at its finest. To ensure shock-resistance and to offer customization, all border components are sealed.

CHOOSE YOUR COLORS

The **SOLO** series is unique in its design. Choose from a vast selection of complimentary colors for both partitions and borders. Choose a color combination that will showcase your interior design!

A SIGN OF QUALITY

Not only does the **SOLO** series take the headache out of design challenges, the series comes with a competitive 2-year warranty for manufacturing defaults. *

PRODUCT SPECS

Available thickness:

- 25 mm (1") panels / pilastres / doors

Composition:

- 25 mm (1")-thick high-density particleboard 25 mm (1") thick
- 3mm (1/8")-thick PVC borders 3mm (1/8") thick

Ultra-robust stainless steel door hardware

(Competitive warranty) *

Continuous natural anodised aluminum wall support

Available in 3 types of elegant fixtures

Available in a wide selection of colors *

* For more information, please see eaddesign.ca

A STRATEGIC CHOICE

EAD presents its affordable **MEZO** series. Combining high-density particleboard and solid phenolic, the **MEZO** series is anything but ordinary. With **MEZO** you do not have to choose between great design, sturdiness and durability.

INNOVATIVE MATERIALS

MEZO's particleboard core is light and affordable. Solid phenolic borders offer increased sturdiness and durability, particularly during installation. The hardware and fixtures are pre-set in the solid phenolic, which is denser than the particleboard.

AFFORDABLE and DURABLE

MEZO is a logical, affordable and durable solution. EAD offers a competitive 2-year warranty for manufacturing defects. *

PRODUCT SPECS

Available thickness:

- 19 mm (3/4") panels / pilastres / doors

Composition:

- 19 mm (3/4")-thick high-density particleboard
- 63 mm (2 1/2")-wide and 19 mm (3/4")-thick solid phenolic boarders

Ultra-robust stainless steel door hardware

(Competitive warranty) *

Continuous natural anodised aluminum wall support

Available in 5 types of elegant fixtures

Available in a wide selection of colors *

* For more information, please see eaddesign.ca

CUSTOMIZE YOUR DESIGN

EAD's **NOVO** series offers a customizable solid phenolic solution. EAD's unique and innovative approach allows you to be creative: the **NOVO** series is synonymous with no-limits design.

TOTAL ON-DEMAND SOLUTION

The **NOVO** series is manufactured according to same specifications as all solid phenolic solutions: a solid phenolic core with two decorative surfaces. However, the **NOVO** series gives you the flexibility of choosing your decorative surface.

NO-LIMITS DESIGN

Whether you would like a wood-like finish, or a reproduction of a corporate logo or sports team, EAD will be happy to assist you in the creation of partitions that will make your customized space truly unique.

TIMELESS

EAD stands by its claims by offering a 25-year warranty for delamination, corrosion, and manufacturing defaults, and a 5-year warranty for warping for the entire **NOVO** series. *

PRODUCT SPECS

Available thickness:

- 19 mm (3/4") panels / pilastres / doors

OPTIONS

Standard

Doors and panels are 1460 mm (57 ½”) in height and are installed at 305 mm (12”) from the floor.

Interlocking system

This option affords more door-level privacy.

PRIVACY PLUS

Doors and pilasters are 1816 mm (71 ½”) in height. Doors and pilasters are installed at 152 mm (6”) from the floor.

PRIVACY PROTECTOR

The polypropylene privacy protector affords more privacy by covering any openings on each door side.

On-demand dimensions

For on-demand dimensions and measurements, please refer to one of our account managers.

MOUNTING OPTIONS

Floor-mounted and headrail-braced

Floor-mounted and headrail-braced partitions are recommended for high-traffic environments. This option provides a modern look but it still resistant and easily adaptable for all spaces. *Available for BRIO, SOLO, MEZO and NOVO series.*

Floor-mounted without headrail

Floor-mounted partitions have clean lines and give the appearance of a more spacious environment. This is an ideal option for low-ceiling spaces. *Available for BRIO, MEZO and NOVO series.*

Floor-to-ceiling

Thanks to its two-point fixtures, floor-to-ceiling partitions are extremely robust and are the ideal option for hard-working spaces. *Available for BRIO, SOLO, MEZO and NOVO series.*

Ceiling-hung (Structural anchoring)

Structurally-anchored fixtures provide a contemporary and distinguished look thanks to their clean lines. This option makes cleaning the floor a breeze. Wall-mounted sanitary appliances are also available to facilitate cleaning even further. *Available for BRIO, MEZO and NOVO series.*

Euro

The EURO concept offer unrivaled privacy. The doors and the pilasters are 1816 mm (71 ½”) high and are installed at 102 mm (4”) from the floor. Pilasters are fixed to a headrail, creating a clean, minimalist look. Partitions are set on adjustable robust stainless steel legs, which means there is no contact between the pilaster and the floor. This is an elegant option that provides all the advantages of an anchored or suspended option, without the disadvantages. *Available for BRIO, SOLO, MEZO and NOVO series.*
